LB 516, 801A, 1117, 1127, 900

SENATOR BARRETT: I would move the advancement of the A bill with this comment. It indicates at this point, fifty-one, five. I believe that when we see a revision of the A bill on Select it will be approximately one-half that amount. I again renew the motion to advance.

PRESIDENT: Is there discussion on the motion to advance the A bill? If not, all those in favor of advancing LB 801A vote aye, opposed vote no. The Clerk will record the vote.

CLERK: 27 ayes, 0 nays, Mr. President, on the motion to advance LB 801A.

PRESIDENT: LB 801A is advanced. Shortly we go to Select File. Right now we will take up LB 900.

CLERK: Mr. President, very quickly before that, Senator Vard Johnson would like to print amendments to 1117 (sic) (1127), Senator Landis to 516. New A Senator Landis. (Read by title for the first time as found on page 1266 of the Legislative Journal.) And, Senator Hefner, Mr. President, would like to add his name to 1117 as co-introducer.

PRESIDENT: Without objection, so ordered.

CLERK: Mr. President, LB 900 introduced by the Public Health and Welfare Committee. (Title read.) The bill was read on January 9, referred to the Public Health and Welfare Committee, advanced to General File. I do have amendments to the bill.

PRESIDENT: The Chair recognizes Senator Fenger for the amendments.

SENATOR FENGER: Thank you, Mr. President, the committee amendments on this bill merely add the emergency clause. This is necessary because the next barber examination will be given April 9th and the barber registration qualifications need to be reinstated by that date. I move the adoption of the committee amendments.
